Washington Invaded by R.H.S. Seniors

Again this year our nation's capitol had the misfortune of a visit from the Seniors of R.H.S. The Seniors visited the Lincoln Memorial, Arlington Cemetery, the Library of Congress (about half of the class got lost there), the Capital, the Smithsonian Institute and a few brave souls climbed the Washington Monument (Kay Jones confessed to this).

The class as a whole enjoyed a day away from Rappahannock despite Walt Lowery's photographic efforts. All will agree that the seven dollars that we all scraped up for the busses; complete with soft, reclining seats, was well spent, right, Mary Anna?

The 1966 CONFEDERATE Staff

For the first time the CONFEDERATE features a colored endsheet in addition to divider pages which were designed by the staff this year. The 1966 CONFEDERATE also has more pages than any other R. H. S. annual has had in the past.

The '66 CONFEDERATE has turned out to be the best yet despite the help and hindrance of Ken Jones and other visitors to the clinic.

Health Aides Class Is First of Its Kind

Left row: E. King, E. Smith, J. Smith, D. Withers, *Middle row:* B. Self, J. Marks, T. Marks, B. Mozingo, M. Schools, *Right row:* J. Boyle, D. Dodson, V. Forrest, D. Gordon

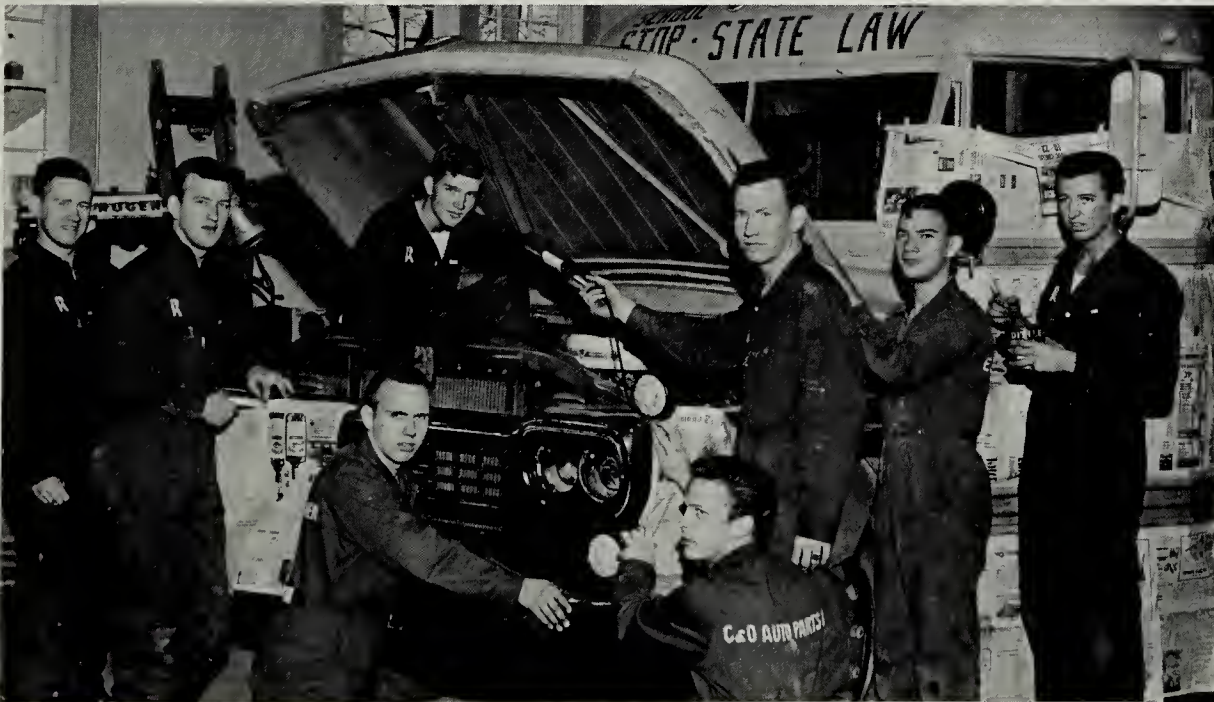

The newly organized Health Aides class at Rappahannock is the first of its kind in the state.

In class, students learn how to care for the sick, plan meals, and gain general knowledge relating to the health of the individual.

Mrs. Stover and thirteen girls made up the three-hour class held five days a week.

Auto Mechanics

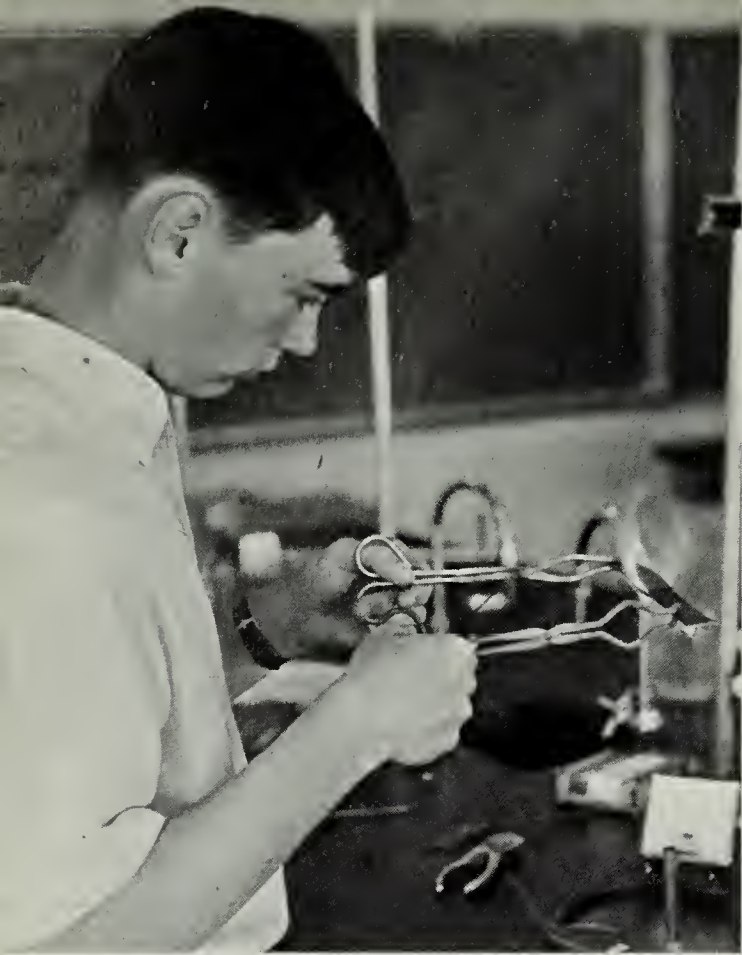

Pictured are some of the boys working on one of the buses. Left to right: M. Boyle, L. King, D. France, J. D. Dawson, H. Donovan, E. King, C. Pinkard, M. Lewis

The purpose of the Auto Mechanics class is to train students for careers as mechanics. There is a total of twenty four boys in Mr. Walker's three-period class.

Science Club Comes Up With Winners

Our Rappahannock High School Science Club, member of the Virginia Academy of Science, is organized to encourage the study of science and the spread of scientific knowledge, and to promote the welfare of this structure at anytime. As the present and future world demands the alert, scientific mind for its far-reaching advancements, the Science Club provides fertile soil for the development of its people to match that of the nation's progress.

The focal point of our year is the Science Fair, including exhibits and demonstrations from the science departments of Rappahannock. The Science Fair award pin and recognition of achievements await those having imagination, 98% perspiration and 2% inspiration.

Beta

During the 1966 school year the Rappahannock Beta Club has tried to live by its motto "Let us lead by serving others". The club is still continuing its landscaping project of the school yard from last year. It also prepared the bulletin boards at the beginning of school to welcome the students from vacation.

A "Southern Belle" contest and dances were sponsored by us as a money-making project. The profits of these were used in paying for Beta Club Convention expenses and for shrubbery for the school grounds.

This past year was very rewarding for the Rappahannock Beta Club, for we had nine prospective members.

The Rappahannock Future Homemakers of America chose one of the new national goals, "Morals and Manners Matter," to emphasize this year. Programs for the chapter meetings have been centered around this theme.

The Christmas Workshop was one of the highlights of the year. During December many decorations were made in homemaking classes to be used in homes throughout the county.

Layne Burgess, federation officer, presented a report

of her work for the year by using a skit at the Spring meeting at Tappahannock High School.

During the year all F.H.A. members had the opportunity to participate in a number of chapter activities.

The Richmond County Chapter of Future Farmers of America had a very successful year. At the first monthly meeting new officers were installed. Our membership in the Northern Neck Federation made us eligible for all annual contests.

The boys took second place honors in Forestry

and a first place win in Farm Mechanics. Our calendar project was very successful with the help of Mr. Booker and each of the officers.

During each meeting we try to have a guest speaker. Our Farm Mechanics boys will be attending the F.F.A. rally at Blacksburg during June.

The Library Club encourages good reading, assists the librarian in services to all students, and broadens the interest level among its members. Fourteen library assistants dedicate their study hall to helping other students find the correct book, in addition to being club members.

Due to an extremely large membership of seventy,

a junior and a senior club were formed this year. In this way, each club could take full advantage of the opportunity to learn about the library.

The club observed Teacher Appreciation Day in the spring and awarded the coveted pin to its outstanding member.

SCA Stresses Progress

In order to further school unity the 1966 S.C.A. made substantial progress toward total student participation in school affairs. Because of the students' need to have a voice in student affairs, a new suggestion system was incorporated.

The various activities of the S.C.A. this year included: host to the Rappahannock Valley District Meeting, the Virginia High School Forum, and the S.C.A. State Conference.

Rebel Yell Gets New Face

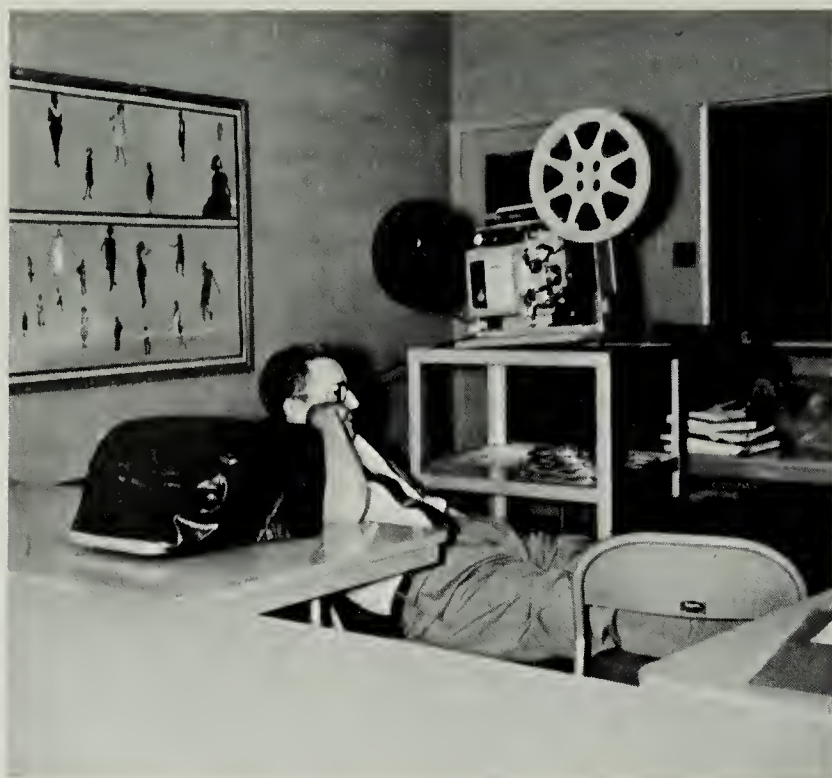

This year for the first time, the REBEL YELL has been a printed newspaper. Sponsored by Bex Fashions, this year's paper was provided to all students gratis. In making available this paper, Bex Fashions reserved one fourth of each paper for advertisements and held all advertising rights.

Published monthly, the REBEL YELL is entirely student-run from assignments to reports to editorials to layout.

Having had a very successful first year as a printed paper, the staff thinks that the REBEL YELL has added much to the extracurricular activities at R.H.S. and hopes that next year's paper will do as well.

Brown packs gifts for soldiers

The year of 1965-1966 proved to be one of the most successful for the Rappahannock Chapter of the Distributive Education Clubs of America. The club performed two main projects for the year. The first entitled "Boost the Northern Neck" was a promotional campaign aimed at encouraging tourist trade and local shopping in the Northern Neck. The second was the Viet Nam Christmas Gift Drive, a school-wide campaign raising funds to purchase gifts for the U.S. soldiers. A Presidential commendation was received upon completion of this campaign.

In District III competition at John Marshall High School, the following awards were won: Brenda Gray, 3rd place—Job Interview; Walter Scott, 3rd place—Advertising; Walt Lowery, 3rd place—Sales Demonstration; Wayne Brown, 1st place—D.E. Student of the Year.

The Chapter was invited to speak at the State Convention. Representing the club were Gary Edwards and Wayne Brown.

Other activities included a school dance, field trip, guest speakers, and radio shows. The club most successfully carried out the DECA emblem's four points, civic consciousness, leadership development, social intelligence, and vocational understanding.

The RHS Chapter was awarded Virginia District Superior award, and third place State Activity Project. Wayne Brown was second place in State DE Student of the year. Gary Edwards represented the chapter at the National Leadership Conference in Chicago.

FBLA Installs W. & L. Chapter

Our year's activities were highlighted by our participation in the installation of an area chapter. That chapter was formed at Washington and Lee High School.

Throughout the year, we have had a number of very interesting and informative speakers. These speakers were from the various fields of business in our area. They all stressed the fact that in business "good enough is not enough" and "prepare thyself" for the future. These are the goals our F.B.L.A. encourages.

Concerts Well Attended

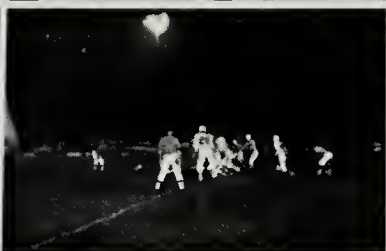

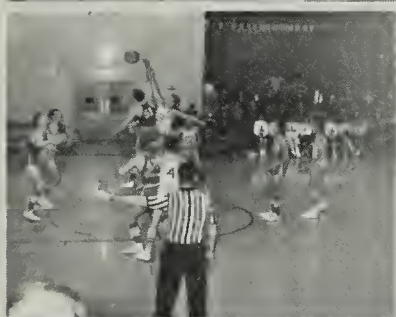

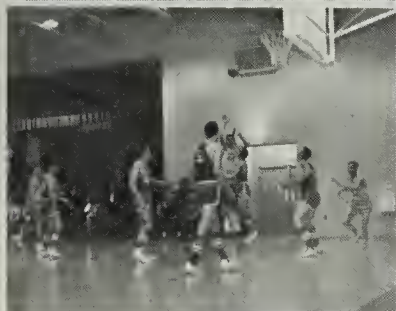

The R.H.S. Glee Club has had a very successful year for 1965-66. Both the Christmas and Spring Concerts were well received by large crowds of patrons.

The Madrigal, a select group of the Chorus's best voices, made several appearances before civic groups of the area.

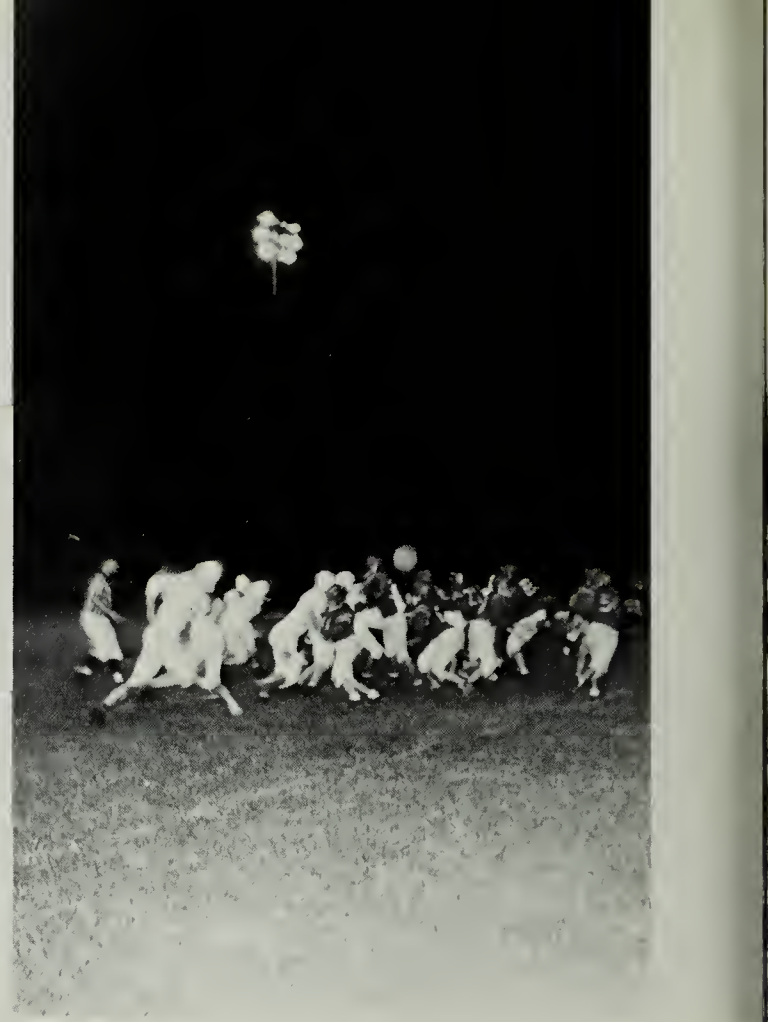

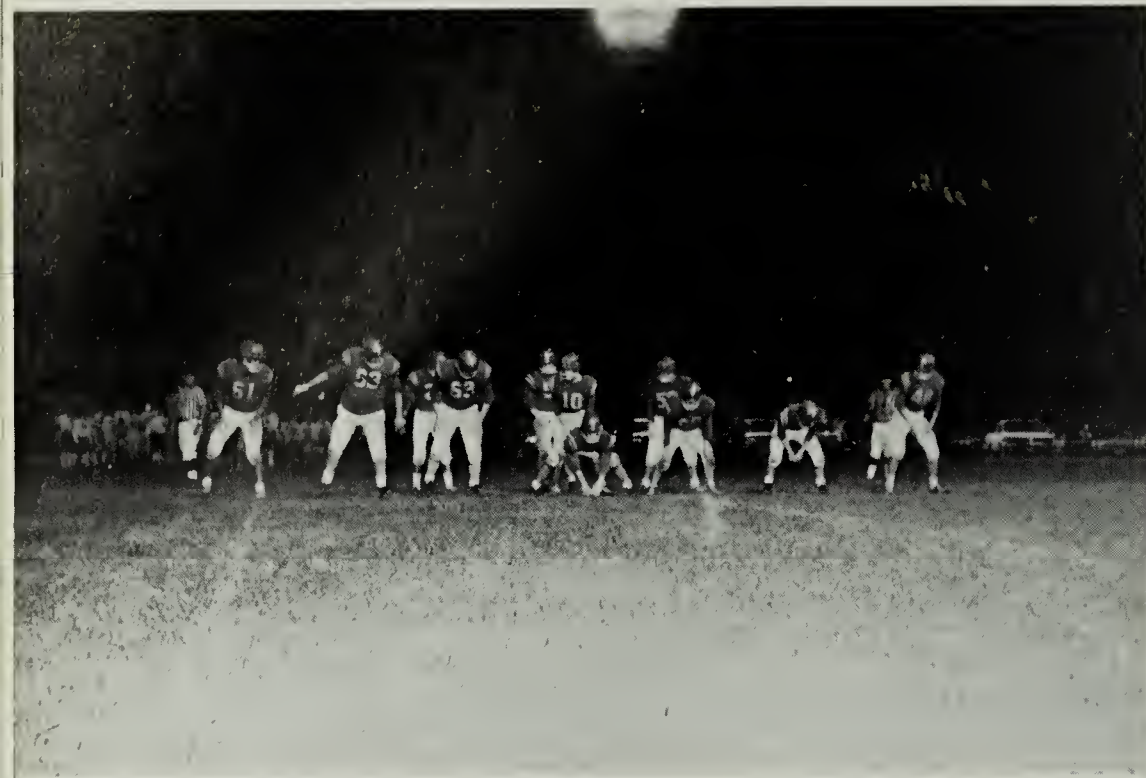

A group from the Chorus attended the Regional Chorus held at R. P. I. in February. These members spent a weekend singing and having fun and topped it all off with a concert on Sunday afternoon.

Rebels Have Frustrating Season

T. Carlin, B. Clark, S. Davis, R. Bowen, J. Smith, J. Clark,
W. Pearson, P. Pierson

This season would have to be termed a frustrating one for the undermanned Rebel pigskinners, as only hours before the opening game they were told Ken Cliborne had been declared ineligible. They dropped their opening contest to the Lancaster squad and lost to W & L 13-12 in the final minute.

Coaches Pitman and Haley are to be commended for instilling that great sportsman-like attitude so necessary for a fine athletic squad.

Our offensive unit averaged 8.7 points over an eight game span, while the defense allowed 21.7 per game. Jim Clarkson led Rebel scoring with 27 points, Bobby Sanders followed with 24 and rounding out the scoring were Billy Clark with 18 points and Clif Seward with one point.

Tournament Entries

The most successful cage squad in R.H.S. history did not have a winning season, but they became the first Rebel squad to make the Group III, District F. tournament.

The Rebels' first venture into the district squabble brought them up against the strong King George Foxes, boasting the league's number one scorer, thumped the Rebels 86-39. Their final record shows three wins and 5 losses in league competition: 3 wins and 8 losses in overall, and 0 and 1 in postseason play.

This marked the Rebels first loss in post-season district competition, but next year they are sure to make a sensational reversal of form. Look out, District F!

The Rebelettes' season began with an exciting victory over Caroline's Cardinals in an overtime, 29-27. Tappahannock and Northumberland each took two contests from R.H.S. W & L defeated the Rebelettes at their new gymnasium by a wide margin.

Lancaster's first game against the R.H.S. six was a thriller. The score see-sawed back and forth but the She-Devils emerged victorious by a 2 point margin.

The second game, the last of the season, found the Rebelettes ahead at half time by 5 points. The She-Devils rallied and snatched the game from R.H.S., 31-28.

The majority of the Rebelettes this year were young and so they should have a promising future.

Rebels Have Spunk

Team spirit

Fate took a hand, and, the Rebels' baseball fortune sank while it was still tied to the dock. The club started the season with a victory at home then followed with a loss away. The next two games were decisive victories but then the losses started. Four straight losses ended R.H.S.'s poorest showing on the diamond in its history.

One bright spark was the fine, though shaky, showing of a lineup filled with freshmen and sophomores. Lannie Williams led the team at the plate with an impressive mark of .369. Congratulations to a fine group of youngsters!

Rebeletts Win 5 Lose 3

The year's first game was won as a result of a forfeit from Caroline. Tappahannock twice fell victim to R. H. S. by rather large margins of 21-8 and 16-8. W & L's Tigers were handily defeated 13-7 but Lancaster split a pair in two hotly contested games, 10-9 and 11-16. The Indians from Northumberland were the only team to scalp the scores of 6-7 and 1-6.

Although four of the Rebelettes will graduate, the remaining five should lead the team to another outstanding year.

Freshman Flash Paces R.H.S. Trackmen

Veteran distance man, Dickie Brooks, set the District F record in the 880 in 2:05 and set a new school record of 4:45 in the Mile Run. Failing to qualify in the district mile, Dickie placed third in the state meet in the 880. Lou Packett provided the Rebels with a 1-2 punch in the distance events, taking second in the District F Mile Run and fourth in the State Group III Meet Mile Event.

Billy Morris took second in District F's Low Hurdles and placed third in the State Group III Meet in 21.8. Henry Revere set the new school record of 10'3" in the Pole Vault and Gerald Harrison and Tom Carlin both eclipsed the school record in the Broad Jump.

A Cheerleader's Prayer

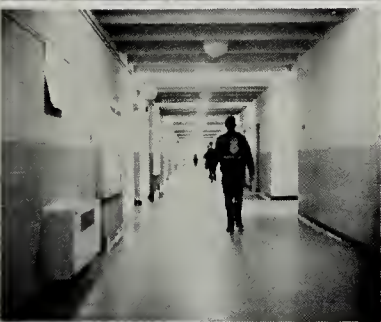

Every day we pray for strength and courage to lead our crowd in a good sportsmanship manner.

For understanding of the complete competitive competition. To see the good that lies in the heart of every person. To help our players and spectators see the unity between them so they prove their loyalty for our school. Help those who only want a victory for victory's sake to see the importance of growing peace and harmony that should be between opposing schools. We are thankful for the many blessings that the One above has bestowed upon us—for the way we cheer and play depends on how we, as cheerleaders, conduct ourselves.
